

Frank Sherwin, III has received tremendous positive response as a regular speaker at ICR's "Back to Genesis" and "Case for Creation" seminars, as well as in churches all across the country.

A former college instructor, Frank is an Aide de Campe to ICR's President, Dr. John Morris, and has co-authored the book, "The Human Body An Intelligent Design." He is currently writing a text book entitled "The Resolution to Evolution."

M.A., zoology, University of Northern Colorado

Frank Sherwin received his Bachelor's Degree in biology from Western State College, Gunnison, Colorado, in 1978. After several years as an Emergency Medical Technician for a municipal fire department, he attended graduate school at the University of Northern Colorado where he studied under one of the foremost parasitologists in America. In 1985, Frank obtained a Master's degree in zoology, and published his research in the Journal of Parasitology.

Frank taught a variety of biology, nursing, and premedical courses at Pensacola Christian College from 1987 to 1996. He has been active in creation science for the past twenty years, participating in seminars, debates, and radio broadcasts.

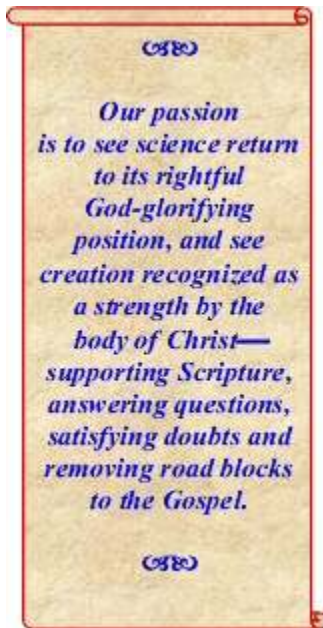

Frank Sherwin and his wife, Jan, reside in the San Diego area. His family includes three daughters, and a son.

Audience Comments

- "Frank Sherwin is very articulate and did a wonderful job in presenting the material. It was concise, understandable for the non-scientist, and his sense of humor at the appropriate time made for two excellent presentations."
-Rev. Tim Friesema, Associate Pastor for Education and Missions, Central

Bible Church

- "Well-prepared, confident, well-documented"
~Dr. Gregory J. Brewer, Professor of Microbiology and Neurology
